## Vision

The Trust's vision is to deliver high quality health and social care to the diverse communities we serve to make their lives better by providing care that:

- Is locally accessible – provided close to or in people's own homes
- Is provided to the highest standard by skilled and compassionate staff
- Promotes good health and the prevention of ill health
- Works with partner organisations in reducing inequalities and ensuring equity of access
- Is integrated across health and social care "boundaries"
- Is focused on maximizing an individual's potential and independence.

## Objectives

Our Objectives as a Trust are:

- **Quality**
  - ✓ To be recognized as a provider of safe and effective services that people want to use
  - ✓ To collaborate with organisations to improve the care given to people who use our services.
- **People**
  - ✓ to ensure that the Trust attracts and retains a quality workforce.
- **Finance**
  - ✓ To be financially sound organization
  - ✓ To achieve a contract model that links activity to payment from 2015/2016.
- **Trust Sustainability**
  - ✓ to be recognised as a provider of safe and innovative services that help Commissioners achieve their outcomes.
