Discharge Information Sheet

Name:

Bedfordshire Children's Eye Services

Your child was referred to the Orthoptist. Your child has passed all the relevant Orthoptic tests and has now been discharged from the community eye clinic. This leaflet contains information that we hope you will find useful for future reference.

The Orthoptist has advised that your child should attend the Optometrist annually.

Next test due:

Your child may have his/her eyes tested at school at 10 years old but this does not occur in all schools. Therefore it is sensible to take all members of the family to the Optometrist at regular intervals.

Do I have to pay for the eye test at the Optometrist?

No. All children up to 16 years (or 19 years if still in full-time education) are entitled to free eye tests.

Which Optometrists should we attend?

You can visit any registered Optometrist (Ophthalmic Optician). To arrange an appointment call them directly.

What happens if I am concerned about my child's eyes or they complain of eye symptoms?

Contact your GP or visit an Optometrist for advice. Please show this report to your Optometrist (Optician) when your child attends.

Eye Clinic Report

Diagnosis

Vision with / without glasses

Right eye

Left eye

Prescription

Right eye

Left eye

Colour Vision

Passed / A colour deficiency has been confirmed – you are advised to have this tested when older by the Optometrists

Signed:

Senior Orthoptist

Date:

If you have any questions regarding the treatment of your child's eye condition please discuss them with the Orthoptist.
