Take a break

As the lockdown has now lifted, we're looking forward to warmer weather and spending some long-overdue time with our friends and family.

So, whether you're craving a catch-up over coffee, a few hours away from the kids to run errands or a day out browsing the latest fashion looks; treat yourself to something special with our top range of high street savings!

Exclusive offer now extended

We are delighted to announce that our 10% off discount at Morrisons has been extended until 30th June 2021.

One of our most popular partnerships to date, this fantastic extension will enable our members to continue shopping for less and enjoy a truly exceptional range of supermarket savings.

Your employees could be getting free tickets to events across the UK

Powered by Blue Light Card technology, Blue Light Tickets is a free service that has been created as a way to give back to the blue light community. Through working with venues, sports teams, attractions, festivals, and concerts, we aim to offer NHS, emergency service employees and the wider blue light community free tickets as our way of saying "Thank you".

Whether you want to see your favourite team win against a rival, rock out at a fantastic music festival or treat your family to a day out, Blue Light Tickets makes it easy for you to find the event(s) you'd like to attend, enter the ballot for free tickets and be informed if/when you win!

Do you need promotional materials?

Posters, flyers, business card-sized handouts or digital assets; we've got them all! If you require any marketing materials to help raise awareness of Blue Light Card as a valuable members-only service to help your employees save more as they shop, please don't hesitate to get in touch with our team by emailing: ashleykeir-bucknall@bluelightcard.co.uk

Here for you, because you're here for all of us.
