

## Appendix 15

### Trust Hosted Student Placements 2019 - 2020

The table below shows the numbers and locality of student's placements from September 2019 to April 2020. Pre-reg placements were suspended on 17th March 2019 in response to the Covid-19 pandemic.

#### Higher Education Institutes (traditional students) Pre-reg placements 2019/20

|   | Short Placements<br>(2 weeks & under) | Long Placements<br>(over 2 weeks) | Total Pre-reg Placements<br>September 2019 - April 2020 |
|---|---------------------------------------|-----------------------------------|---|
| Luton – Children's Services                     | 5                                     | 6                                 | 11  |
| Luton - Adult Services                          | 0                                     | 12                                | 12  |
|   | <b>Total Luton</b>                    |                                   | <b>23</b>   |
| Cambridge –Peadiatric Community<br>Nursing Team | 0                                     | 3                                 | 3   |
