For free, confidential health advice and information 24 hours a day, 365 days a year please contact NHS 111.
Dear Patient

You have recently been transferred to join our Anticoagulant (Warfarin) clinic here at the Luton Treatment Centre by the Nurses at the Luton and Dunstable hospital.

Please bring a list of medications that you are currently taking along to your first appointment here and this will be reviewed by the Anticoagulant Nurse and other information after your blood test.

We would like to welcome you to our clinic and we look forward to seeing you.

Kind Regards,
The Anticoagulant Team

Clinic Information: Clinics are Tuesdays and Thursdays - 08.30 - 10.30

When attending the clinic for your appointment please take a numbered ticket from the red ticket dispenser located at reception. You will then be called in number order to have your INR blood test. The blood test is taken via a finger prick sample which will give an immediate blood test result.

If your INR result is in range, you will then be free to go home continuing your current dose. Your Anticoagulant dosing letter will be sent by post by first class. Your dose and next appointment are documented on the Anticoagulant dosing letter. If you cannot attend the next planned appointment for any reason, please contact us on 0333 405 0040 to rebook.

If your INR is out of range, you will then be directed to see the Sister who will advise you of your Warfarin dose and next appointment before you leave clinic.

Important information

It is very important that you inform the clinic of any changes:

- Medication - for example starting or stopping medications. Providing the name of the medication and any start, stop dates
- Changes to eating habits - for example starting a weight reduction diet, unable to eat as usual maybe due to an illness or nausea and vomiting.
- Planned investigation, treatment & admission to hospital
- Missed warfarin tablets
- Taking a different dose of warfarin to what is documented in your dosing letter.
- Any required referrals for weight management, stop smoking or any alcohol intake concerns.

If you are unable to attend your appointment or if you would like to speak to a nurse about your Warfarin therapy please contact the Luton Treatment Centre reception before the day of your appointment on 0333 405 0040.

If you would like more information please contact the Luton Treatment Centre reception on 0333 405 0040.
