Community Children's Nursing Team

The Community Children's Nursing Team

The team offer specialist nursing support to families who have children or young people with nursing or medical needs in the home or other community setting e.g. a school.

The team also has specialist nurses and nursery nurses who have experience and knowledge in the following areas:

- Acute care
- Asthma
- Cystic Fibrosis
- Complex needs
- Diabetes
- Enteral feeding
- HIV
- Oncology
- Palliative care
- Tuberculosis.

Student nurses have placements with the team to gain experience in community children's nursing. We will ask for your consent for a student to attend visits with your child.

The team endeavour to care for children at home to reduce hospital admissions and minimise the length of stay whenever it is safe to do so.

The service operates seven days a week, Monday to Friday, 8am to 6pm. Weekends and bank holidays, 9am to 5pm. Tel: 0333 4050079

Return to hospital

Your child may need to return to hospital:

- if their condition deteriorates
- if there are problems with equipment
- if care is required outside of the service's working hours.

Team Vision A productive dynamic team delivering holistic and innovative care to children and young people in the community.
